Blue whale images obtained under scientific research permits:
A0157 issued by Seychelles Bureau of Standards
000093 issued by SEMARNAT, in the National Park of Loreto Bay, Mexico
16111 issued by National Marine Fisheries Service, USA

The project was made possible thanks to the National Science Foundation grant DRL 2115860, which helped fund film production, science advisory input, educational outreach development, and project evaluation.
